CPS-SilcApart

The CPS-SilcApart is a community, protected, development of Silcoplan Engineering and CPS.

It is a universal splitter on the female stripping form for BOBST flatbed diecutters the series 160, 203 and Mastercut, more models on request.

On the efficient way, it is introduced into the machine, reliably separates standard and oversized side waste. Problems with bent or non installed standard separators belong to the past. One set consists a holder and 3 different cutting edges.

The part can be obtained at CPS under part Number:

No. 15 for Mastercut 1.7 / 1.7 RH / 2.1 / 2.1 RH

No. 16 for SPO 203 A / A-Matic / A-PR-Matic

No. 17 for SPO 160 A / A-Matic / A-PR-Matic / 160-S / 160-Vision
